★ L'adjudication du lot est TTC. La TVA, au taux en vigueur de 5,5 %, est incluse dans le prix d'adjudication. Cette TVA est récupérable pour le professionnel français. This lot is being sold with VAT included. VAT, at the current rate of 5,5%, is included in the hammer price. The VAT can be claimed back by French professionals. For buyers outside the EU, the VAT can be claimed back on presentation of export papers outside the EU, or for a professional purchaser who can supply an intra-EU VAT number and a document proving the lot has been delivered to a member state.

▲ Incidence sur la TVA : Le véhicule ayant moins de 6000 km d'utilisation, il peut être considéré « comme neuf » dans certains pays de l'Union Européenne.
